

HEARTLAND

🌲 CAMPS 🌱

Summer 2023,

Dear Friend of Camp,

I am so glad your child wants to come to camp this summer. I understand that you are inquiring about him/her receiving a scholarship. Heartland Presbyterian Center has never turned away a camper because of their current monetary situation and we want to offer help so your child can come this year.

Scholarships are provided by generous and caring individuals who want to help children and youth have a camp experience. Many campers benefit from these donations every summer and donations for the program are always accepted throughout the camp season and during the year.

Partial camp scholarships are limited to one camp session per camper. To apply, **please complete and return the enclosed request form.** You will be notified once your scholarship has been approved from HPC.
