DROP-OFF PROCESS

We are using a drive-through system again this year, allowing for efficiency and ease of your camper's drop-off process.

Camps that start on Sunday have a staggered registration.

Names:

A-L 4:00pm

M-Z 4:15pm

For camps starting on **Wednesday (Explorers)**, registration is 6:30 pm and dinner is not included on Wednesday so please bring them with full bellies!

Required: Your Health History should be completed on your CampInTouch account. If not, paper copies of these forms will be available to complete during the onsite drop-off. Balances should be paid in full for the week you are attending prior to your arrival.

Step 1: Welcome to Camp

- Your car will be greeted by members of our summer staff. Get ready for some silly music and wacky dance moves!
- The greeters will ask for your camper's name to indicate their camp type & possible forms/payments still needed to be turned in.

Step 2: Nurse/Medical Screening

- Your car will go through separate lines based on medical needs (i.e. whether you need to drop off medication or fill out your camper's health forms).
- Medical Info:
 - All medication must be noted on the Camper Medical form.
 - Complete this form on your CampInTouch account.
 - Medications should be placed in a zip-lock bag with the camper's name on it.
 - If prescription medications are sent to camp, they must be placed in the original pharmacy container with the camper's name, medication, and dosage prescribed.
 - All campers' medications are stored and dispensed by staff.
 - All campers must go through a simple medical screening (i.e. temperature check).

Step 3: Luggage

- Your car will be ushered through the luggage line and directed toward your camper's luggage area.
- Our staff will help you drop off your luggage next to the sign that matches your camper's cabin! (All luggage is delivered to their campsite).

No worries, it's not time to say goodbye to your camper yet! A few more steps to go!

Step 4: Payment

- In the case you still have to make a payment, you will stop at the payment station where our fabulous registrar will instruct you through the next few steps to complete your preparation!

Step 5: Drop-off

- We ask all parents to sign their camper in (and out) of our facility.
- It's time to start your goodbye hugs & kisses. Your camper is about to begin the most epic week of camp!

**Step 6: Meet Your Counselor

- This is an optional step. If you desire to meet your camper's counselors, you will have the option to park on our drive next to Genesis Hall. You will then be ushered by a summer staff member from that point to your camper's welcome site.
- This is the time to say your last goodbyes as your camper begins their life-changing week at Heartland!
